1. The reply filed on 12/29/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The applicant states that they have elected claims of Group II, drawn to a paper or paperboard, and species c), wherein the ink receptive layer comprises an acrylic polymer. The applicant further states that new claims 27-34, 37-45 and 49-52 read on the elected species.

However, the examiner notes that claim 32 is to both acrylic and biocide (non-elected) and claims 40-52 are to a method of coating paper (non-elected). The applicant *does* seem to appreciate that claims 35 and 36, drawn to a paper with a biocide, are non-elected, as claims 35 and 36 are not listed among claims that the applicant says read on the elected species (see list above).

In light of their election of Group II and species c), the applicant is requested to state which claims read on these elected species.

2. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid

abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
